Complete Order of Worship 10-18-2006

Opening Words:

O Supreme Lord of the Universe,
you fill and sustain everything around us.
With the touch of your hand you turned chaos into order,
darkness into light.
From you burst forth the splendor of the sun
and the mild radiance of the moon.
You set the stars and planets on their paths and ordered their movement.
You are the source of the fire's heat and the wind's might,
of the water's coolness and the earth's stability.
Deep and wonderful are the mysteries of your creation. Amen.

Psalm 104:

Preaching: Daniel Ogle

Prayers of the People:

Let us pray: (*silence*)
We give you all thanks and praise, O God,
for you alone know the secrets of the universe.

You set the earth on its foundations
and filled it with wonderful creatures.
Your creative power is beyond our comprehension
and your purposes can only be glimpsed.

Yet you have come among us in your Son, Jesus Christ,
as a servant of all
and labored and prayed with us for the release
of all creation, for all who are held hostage to sin and death.
When tyrants rose against him,
he drank the cup of suffering

and was plunged into the baptism of death,
but you raised him to new life
and designated him a high priest forever,
making him the source of eternal salvation
for us and all who respond to your gracious call.

Therefore, with our hearts lifted high,
we offer you thanks and praise at all times
through Jesus Christ our Lord,
who lives and reigns with you and the Holy Spirit,
one God, for ever and ever.
Amen.
